Prompts	Comments
<p>Number 1 <i>Background: In Chapter 8 Katie Novak discusses using student feedback to inform instruction.</i> Prompt How would you describe your overall experience with this book study? What helped you to learn the content?</p>	
<p>Number 2 <i>Background: In Chapter 9, the author outlined strategies to assist students with test-taking.</i> Prompt Explain how standardized test prep can align with the principles of scaffold instruction from Chapter 6.</p>	
<p>Number 3 <i>Background: In Chapter 10, the author suggests several types of technologies that can be used to enhance and support the concepts of UDL.</i> Prompt Share content that you have originally given students in a handout and show/ tell how you turned it into an engaging electronic handout.</p>
